YACHT INFORMATION

After an extensive refit in 2020, the luxurious motor yacht Las Niñas from Mulder Shipyard is ready to take you on new adventures. Her captain and two crew members will look after your well-being during your cruise through the Balearic Islands, Italy and Croatia.

The yacht impresses with its immaculate condition, state-of-the-art entertainment system and zero-speed stabilisers.

The three cabins are perfect to accommodate six guests comfortably. If required, two smaller children can be accommodated in a slightly larger bed in the double cabin, so that a total of seven people can spend the night on board the yacht.
