YACHT INFORMATION

On the Oceanis 41, straightforward, elegant design meets sophisticated technology and a clever layout. Bow thruster, autopilot and GPS-supported instruments enable comfortable cruising, while the feel-good deck invites you to sunbathe extensively. After cooling off in the crystal-clear Mediterranean, you can safely get on board using the swim ladder.

In the three bedrooms, comfortable double beds offer relaxation after an eventful day. The large windows allow pleasant rays of sunshine into the living area. The Oceanis 41 is the ideal sailing yacht for all those who do not want to forego sportiness or luxurious equipment on their Mediterranean cruise.
