YACHT INFORMATION

The Prestige 420 offers comprehensive equipment for relaxing days at sea. The large flybridge, the largest for a ship of this class, enables an incomparable yachting experience outdoors.

The V-Drive system with joystick and bow thruster allows easy and safe manoeuvring of the yacht.

The large owner's cabin is located amidships, uses the entire width of the yacht and is the quietest place on board. Guests will also be delighted with the equally spacious VIP cabin in the fore ship.
