The Sun Odyssey 410 impresses with an eye-catching, regatta-inspired hull and offers an unrivalled quality of life on board. Despite the focus on comfort, aesthetics and generous space, it is easy to overlook the fact that this sailboat is a powerful force on the water. The cockpit, both safe and comfortable while sailing, effortlessly transforms into an outdoor saloon or sun deck when moored. The gentle descent to the saloon creates a seamless connection between inside and outside. The warm, light-flooded saloon and the spacious relaxation area invite you to socialise and exchange ideas. The spacious, cosy and bright cabins offer moments of peace and privacy. All these aspects create a harmonious atmosphere on board, ideal for weekends away with friends or extended sailing trips.
