Built by Benetti in 1967, Odysseey III was extensively modernised in 2023 to offer guests elegant, modern accommodation. All technical aspects of the yacht have been overhauled and the equipment has been extended.

Decks of the yacht are covered with teak and the flybridge features a bimini. The main lounge has been completely redesigned and offers a completely new interior, a newly built bar and a desk. The seating area and sun deck form a wonderful lounge area with BBQ and entertainment area.

A selection of first-class water toys will be available on the yacht to provide guests with plenty of fun on the water.

Odysseey III is ready for charter in the [Balearic Islands](#), [Côte d'Azur](#), and [Western Italy](#), promising a luxurious and picturesque maritime journey through these sought-after Mediterranean destinations.
