### YACHT INFORMATION

The 39-metre motor yacht "Ottawa IV" from I-SEA shipyard is an excellent choice for cruising in the Eastern Mediterranean. The waters of Croatia and Montenegro are regarded as truly marvellous yachting areas. The vessel features five comfortable cabins, including a full-beam master suite on the main deck, two VIP cabins, a standard twin cabin and a twin cabin with two bunk beds. Highlights of the Ottawa IV include the Jacuzzi on the sundeck, the large bathing platform, the wide selection of water toys and the economic fuel consumption.
