YACHT INFORMATION

The Sublime Mar is a stylish, Italian 28m super yacht from the Maiora shipyard, which is perfectly suited for a charter around Ibiza and the Balearic Islands. Her fantastic flybridge invites guests to linger and enjoy the fantastic scenery.

During the day the Sublime Mar can accommodate up to 12 guests.

At night 10 guests can be accommodated in four well-equipped cabins with ensuite bathrooms, two of which are double cabins and two twin cabins with pullman bes.

The yacht is ideal for sports enthusiasts as it offers a wide range of water toys such as a dinghy, jet ski, seabob, kayaks, paddle boards and more.

A crew of four takes care of the guests' well-being in a highly professional manner.

During the summer, Marina Ibiza is the home port of the Sublime Mar, while the rest of the year she is based in Barcelona.
