YACHT INFORMATION

Introduced in May 2020, this luxurious motor sailer, which can be chartered along the Adriatic coast, is truly unique. With a length of 43.5 meters, it accommodates up to 12 guests in 6 double cabins with en-suite bathrooms, two of which can be converted into twin cabins. The cabins are equipped with Smart TV/DVD, refrigerator, safe, intercom, and Wi-Fi, optionally also with room service. The spacious living room extends to a dining area for twelve people, while the 120-square-meter sun deck offers a sunbathing area and a whirlpool.

On-board amenities include a Smart TV, DVD player, USB docking station, upgraded sound system, library, office, and a variety of water toys. A professional crew of 8, including the captain, chef, stewardesses, engineer, and others, ensures first-class service. The captain is happy to advise you on individual travel itineraries, the chef prepares Mediterranean specialties, and the steward/fitness trainer leads your morning workouts. In addition, a concierge service is available, providing activities both on board and on land.

The selection of water toys offers plenty of variety; in addition to a Tender boat the "Aurum Sky" also has jet skis, water skis and seabobs.
