### YACHT INFORMATION

The 28.6 metre Mulder MY Firefly, completed in 2015, impresses with its modern and elegant design inspired by the sea.

The spacious flybridge features spacious seating areas and a wetbar with integrated BBQ. The generous interior extends over 40 square meters and offers a representative salon, a dining and a bar area.

Firefly disposes of 4 spacious cabins, in which 8 guests can be accommodated comfortably. The 24 square meter master suite features an ensuite bathroom with bathtub and a walk-in closet. The VIP cabin comes with a large bed and an ensuite bathroom. The two twin cabins can be converted to double cabins.

Firefly is the ideal choice for relaxing, sunbathing and socializing. The crew of 4 guarantees a perfect service during your stay on the water.

For events Firefly can accommodate up to 50 people on board and is available for charter in [Malta](#) and [western Italy](#).
