## YACHT INFORMATION

Lady M is a state-of-the-art luxury yacht completed in 2018 with a spectacular and unique interior designed by the British design studio Vickers Design Studio.

She features numerous enhancements, including increased ceiling height and the addition of a large upper lounge with a sumptuous bar area.

She offers accommodation for 10 guests in five luxurious cabins with en-suite bathrooms – each with its own individual colour scheme.

With a charter-friendly crew of 8 members and extensive water sport equipment, she is a wonderful option for guests who want to experience a fun and active holiday, including families with children.

Lady M, based in Croatia, offers unforgettable charters in both the eastern and western Mediterranean, providing a luxurious experience for guests.
