YACHT INFORMATION

Prepare to be impressed by KIKI V, the superyacht causing a sensation in the charter world. This remarkable vessel, meticulously crafted by the esteemed Wally shipyards, is revolutionizing luxury and innovation. With four generously proportioned cabins for up to eight guests, KIKI V ensures an exclusive and unforgettable experience.

KIKI V's design artfully combines style and functionality, a testament to the expertise of Laurent Giles' naval architecture. Stretching 27 meters in length and boasting an impressive 200 GT, it offers 50% more living space than comparable yachts in its category.

Cutting-edge solutions grace every aspect of KIKI V, showcasing mastery in engineering and design. Its innovative full-body concept provides 200m2 of indoor living areas and an additional 144m2 of outdoor deck space, ideal for indulging in opulence.

Beneath its sleek exterior, KIKI V is a high-performance marine marvel. Its semi-displacement hull ensures efficient cruising at a top speed of 23 knots, all while maintaining a tranquil hush.

No matter where your journey takes you, KIKI V guarantees stability and serenity. Its zero-speed stabilizers offer a seamless experience both when underway and at anchor, delivering a sensation of equilibrium.
