INFORMACIONES

The Mangusta 92 «Five Stars», built according to the design of Stefano Righini, is a real beauty and thanks to its overhaul in 2019 in perfect condition.

Its modern, fresh interior is accentuated by the yacht's many windows and panoramic views, while its natural furnishings and elegant colour scheme create a calming atmosphere.

The Five Stars can accommodate 10 overnight guests in a spacious master cabin (with sauna and ensuite), a stylish VIP cabin, a double cabin (including Pullman), a single cabin and a TV room, which can also be used as a bunk cabin.

Five Stars offers lush sun cushions on its fore and aft decks, one of which can be converted into a teppanyaki table. An easy to use ladder makes access to and from the bathing platform effortless. The range of water toys is unrivalled – it includes everything from seabobs and SUP boards to water skis and wakeboards. For clubbing enthusiasts, the Five Stars is well equipped with a first-class sound system and a Pioneer DJ mixer.

Due to her shallow draught of 1.6m/5.3ft the Five Stars can anchor in the many remote bays of the Balearic Islands and her high speed ensures relaxed island hopping.

The berth in the exclusive Marina Botafoch, with views of the old town castle and surrounded by upscale restaurants and cafés, is included in the price.
