INFORTMACIONES

We are pleased to introduce the brand new 45.50-meter custom luxury yacht ADRI. With its generous width and two imposing masts, ADRI fascinates with its elegant profile and refined contours. At 10 meters wide, it surpasses other yachts in its class, ensuring unparalleled comfort.

With space for up to 12 guests in six opulent ensuite cabins, the M/S Adri is ideal for extended family vacations and groups of friends. Two master suites feature king-size beds, while the four VIP cabins offer queen-size beds that can be converted to twins.

Whether dining al fresco on the aft deck or in the elegant salon, guests enjoy uninterrupted views thanks to the salon's glass partition walls. The chef of the M/S Adri prepares fresh, seasonal delicacies in two dining salons, each seating 12 guests.

Between the dining salons is a piano corner where melodies resonate across the deck. Adjacent to this are the wine cooler and humidor, facilitating the perfect pairing of fine wines and cigars before the breathtaking sunset.

ADRI boasts exceptional deck areas and onboard amenities to cater to every luxurious lifestyle. With ample relaxation areas, guests can easily find their perfect retreat or mingle with fellow travelers.

Featuring a hot tub and spacious sun loungers, the sun deck is an idyllic retreat to enjoy the afternoon sun with a glass of champagne. Covered by sun awnings, the sun deck transforms into an outdoor living room, perfect for

hosting sunset cocktails, themed parties, or movie nights under the stars with a screen mounted on the mast. Fitness equipment can be moved from the gym on the lower deck to the sun deck, allowing guests to enjoy the refreshing sea breeze during their workouts.

The M/S Adri is committed to maximizing the Adriatic experience. Its 18square-meter hydraulic platform serves as a private beach, offering guests the opportunity for secluded sunbathing or relaxing massages to the soothing rhythm of the waves. Adventure awaits with a variety of water toys, including high-speed jet skis, water skis, Seabobs, paddleboards, fishing gear, tubes, and mini-sea golf.

The captain and his professional crew are dedicated to providing a personalized and unforgettable yachting experience. With their extensive knowledge of the Adriatic island groups and hidden treasures, guests can experience a voyage of discovery at every opportunity. Upon request, the crew can be supplemented with a masseur or instructors for activities such as yoga, wakeboarding, kiteboarding, or diving.
