## INFORMACIONES

Serenity is a 236 ft / 72m motor yacht that was built 2004 by Austal and received a refit 2017. Its timeless elegant interior was made by the swedish «Tillberg Design» group. Her impressive exterior styling was done by «Oceanfast». Serenity has 14 cabins sleeping 28 guests in the most luxurious manner. Further, the yacht is capable of taking 30 crew onboard to ensure a most pleasant charter experience. The mega yacht offers charter opportunities in the alluring yachting realms of the Western and Eastern Mediterranean, as well as the exotic allure of the Indian Ocean, providing an unparalleled experience across these diverse and captivating maritime destinations.
